Education

Galgotias University

Dec.2021 – June 2025

B.Tech in Computer Science and Engineering (AIML), **CGPA:8.35**

Greater Noida

A.S.H.S. and G.R.S Inter College

July 2018 – June 2020

XII - Science, **73%**

Basti, U.P.

Technical Skills

Languages: C/C++, Python, SQL

Web Technologies: HTML5, CSS3, Tailwind CSS, JavaScript

Tools: Git, Github, VS Code

Coding Profiles: Leetcode [[Link](#)], GeeksforGeeks [[Link](#)]

Relevant Coursework

- Data Structures
- Database Management
- Operating System
- OOPS

Projects

Tic-tac-toe Game [[Link](#)]

April 2023

- Developed a web-based Tic tac Toe game using **HTML, CSS, and JavaScript**, showcasing proficiency in front-end web development.
- Created an **interactive and visually appealing user interface** for the game using HTML and CSS.
- Implemented the **game's functionality and logic** using **JavaScript**, allowing for **two-player game play** and ensuring a fair and engaging user experience.

Weather application [[Link](#)]

February 2023

- Designed and developed a dynamic Weather App using **HTML, CSS, and JavaScript**, integrating real-time weather data.
- Implemented **Geolocation and search features** for user convenience. Ensured **responsive design** for optimizing the user experience.
- Showcased **API integration skills** by fetching and displaying up-to-date weather information.

Experience

AWS Academy

July – September 2022

AI-ML Intern

Virtual

- Participated in a virtual AIML internship program supported by AWS Academy from July 2022 to September 2022, where the emphasis was on comprehensive **module-based learning in Artificial Intelligence and Machine Learning (AIML)**.
- Mastered various essential AIML modules, including but not limited to data preprocessing, model selection, optimization techniques, and evaluation methods.
- Acquired valuable skills and knowledge during the internship, enabling me to **effectively apply AIML concepts and AWS technologies** in practical scenarios.

Achievement / Extracurricular

- Achieved a remarkable **top 8 rank on the Geek for Geeks** platform in the highly competitive **month of March** and Earned a total of **6 badges on LeetCode** for daily problem-solving.
- Solved **500+ Data Structures and Algorithms (DSA)** questions on platforms such as Geek for Geeks and LeetCode.
- Volunteered as a participant in the **International Conference on Cybersecurity and Artificial Intelligence 23**, contributing to the success of a prestigious event focused on cutting-edge technologies and security.
- Served as the **Red House Captain at St. Basil school Basti**, demonstrating strong leadership and organizational skills in coordinating house activities and fostering teamwork.
